## **CHECKOUT LIMITS**

### **Items Owned by Cuyahoga Falls Library**

You may check out 20 DVDs and/or Blu-rays, 20 Playaway Views, 50 magazines, 50 CDs, and as many books as you want, up to a limit of 100 items.

The limit on children's CD-ROMs is 2 per family, and the limit on Discovery Packs is 2 per family.

On the day you first get your library card, you can check out up to 6 items if you have an ID with your current address, or up to 2 print items if you have no current ID.

## **Items from SearchOhio and OhioLINK**

The total number of requests you can have from both SearchOhio and OhioLINK is 50. Of these, up to 25 can be from OhioLINK. This includes items that you have requested but not yet received, and items you've returned but have not yet made it back to their home libraries.

## **DRIVE-UP SERVICE**

### **Express Window**

The Express Window allows you to pick up library materials without leaving your car. The Express Pick-up Window is for picking up materials only; items can be returned in the drive-up book and A/V drops.

### **Drive-Up Book and AV Drops**

You can return library materials any time without leaving your car using the drive-up book and AV drops. These are located in the small parking lot near Broad Boulevard, on the southeast side of the building, and are open 24/7. Please make sure that all materials drop down into the book drop. Library of Things items as well as Discovery packs, Playaway Views and Playaway Launchpads need to be returned inside the building.

## **HOLDS**

- You can place a hold on new titles as soon as we order them.
- You can place a hold on any kind of item except magazines, Express items and Library of Things.
- You can have as many as 99 titles reserved at a time.
- When a hold is ready for you to pick up, we will place it on the self-service pick-up shelves by the checkout desk, and you will receive a phone call or an email. If you would like, you can call ahead and arrange to pick up your reserves at the express pick-up window. The item will be on the pick-up shelf for 5 days, including the day the item is placed on the pick-up shelf. (Days that the library is closed do not count.)

After this time, the item will go to the next person on the reserve list, or if nobody else is waiting it will be placed back on the regular shelves for anyone to check out.

- If you're going out of town, or for some other reason you don't want your holds to become available for a time, you can freeze one or more of your holds.
- If you placed a hold on a title but later decide that you don't want it, you can cancel the hold. This is a good thing to do because people who are behind you in the hold list will get that title faster.

## **REFUNDS**

Refunds of payments of replacement fees will be granted within six months of the date of payment if the original item is returned. You must present your receipt. No other refunds will be given. All refunds will be issued via mailed check.

## **REQUEST FOR RECONSIDERATION OF LIBRARY MATERIALS**

Download: [Reconsideration of Materials Form](#)

The Cuyahoga Falls Library subscribes to the American Library Association's Library Bill of Rights, which states in part, that "Books and other library resources shall be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials shall not be excluded because of the origin, background, or views of those contributing to their creation." The Library Bill of Rights continues by saying that "Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval." It is the Cuyahoga Falls Library's responsibility to provide resources on many subjects, from multiple viewpoints, appealing to the public's diverse interests and tastes.

If you wish the Library to reconsider the purchase of a particular item you must complete and sign the Request for Reconsideration of Library Materials form. When the Library Director receives the form he or she will appoint a staff committee of three or five people, including the Director, a Coordinator and the librarian who

initiated the order. The committee will examine the item in its entirety, taking into consideration the original reasons for purchase, and evaluate the item in light of the Library's selection policy, the Library Bill of Rights, and the item's critical reception. After the item has been thoroughly and objectively reviewed, taking into consideration the complainant's objections, the committee will respond in writing.

If the complainant wishes to appeal the decision of the staff committee he or she may do so to the Board of Trustees. The appeal must be submitted in writing and will then be placed on the agenda of the next regularly scheduled Board meeting. The complainant will be given the opportunity to state his or her case to the full Board, who will take the information under advice. The Board President will then appoint an ad hoc committee of three or five Board members and the Library Director to examine the item in question. The ad hoc committee will review the item and make a recommendation to the full Board at the next regularly scheduled meeting. The decision of the Board is final.

*Approved by the Cuyahoga Falls Library Board of Trustees, August 16, 2005*
